## Scope of the Journal

The editorial board welcomes submissions that provide insights into key issues dealing with the English Language in a region that hosts multicultural/lingual communities and contexts. Our policy is to enable the advancement of knowledge dealing with English Language studies in these communities and contexts by providing a publication avenue for new and insightful multidisciplinary work in the region. The ultimate objective of the journal is to create critical awareness of United Kingdom (UK) concerns with all areas of English language Studies. Submissions that draw parallels between regional and global concerns of English Language Studies are also welcome. **IJLLC** publishes issues in *January, March, May, July, September, and November*. Please visit the website to have a better idea of the kinds of articles published and the submission guidelines. **The main subject area is linguistics and languages, and cultural studies.**

The scope of the journal is broad and it includes but not limited to the following topics:
