[Home](#) / [About the Journal](#)

This *e-Journal of Linguistics* is published by the Doctoral Studies Program of Linguistics of Udayana University **Postgraduate** Program. The existence of the e-Journal of Linguistics aims to publish the results of linguistic research in a number of sub-fields, either microlinguistics, macrolinguistics and applied linguistics. Knowledge development, updating of data, facts, theories, methods, and approaches are the goals of this journal presence. The journal is published twice a year, namely in January and July.

Editors publish only those linguistic articles unpublished previously. The authenticity of the article, compliance with the theme of publications, and technical accuracy are prerequisites for receiving and publishing.
