

ABSTRACT

Ma, Maria Yunita Avong. 2023. **Hyperbole Expression Used in Selected Viral Song Lyrics on TikTok**. English Study Program of Foreign Languages, Mahasaraswati Denpasar University. Supervisor: Dr. Desak Putu Eka Pratiwi, S.S., M.Hum. Co-supervisor: Putu Desi Anggerina Hikmaharyanti, S.S., M.Hum.

This research analyses the hyperbole expression in Selected Viral Song Lyrics on TikTok. This research aims to discover the form and meaning of hyperbole expression in Selected Viral Song Lyrics on TikTok. The observation method is used in this study, and to get sufficient and complete data, several steps are needed, such as; downloading song lyrics from the internet and listening to the song to understand the meaning conveyed, then making notes and classifying based on the types of hyperbole. This study analyses the data descriptively using qualitative methods based on the theory proposed by Claridge (2011) to find out the forms of hyperbole and the theory of meaning proposed by Leech (1981) to find the meaning of hyperbole expressions found in Selected Viral Song Lyrics on TikTok. After analyzing the lyrics of the songs in Selected Viral Song Lyrics on TikTok, the author found several forms and meanings of hyperbole. There are seven types of hyperbole forms found in Selected Viral Song Lyrics on TikTok; they are 1 single-word (4%), 11 Phrasal Hyperbole (44%), 8 Clausal Hyperbole (32%), 1 Numerical Hyperbole (4%), 1 The Role of Superlative (4%), 1 Comparison Hyperbole (4%) and 2 Repetition Hyperbole (8%). There are four meanings found from the seven types of meaning, namely 20% denotation meaning, 44% connotative meaning, 32% affective meaning, and 4% social meaning.

Keywords: *hyperbole, forms, meaning, song lyrics*
