

ACKNOWLEDGEMENT

First of all, the researcher would like to express his great sincere gratitude to the Almighty God, Jesus Christ for His Kindness and mercies so that the thesis entitled “The corelation between vocabulary mastery and reading comprehension of seventh grade student at SMP Wisata Sanur through ESA in Academic Year 2021/2022 could be completed in time. Without His blessing, the researcher could not made it happen.

His tremendous gratitude further goes to his first advisor Putu Ayu Paramita Dharmayanti S.Pd.,M,Pd .and second advisor IGA Putri Wirastuti, S.S., Mum. who have already guided him and shared their brilliant ideas for the improvement of the thesis. In addition, he would like to thank them for their helpful guidance, correction during writing thesis. He also would express his profound appreciation to the Dean and Staff of Faculty of Teacher Training and Education, Head, and Lectures of the English Language Education Study Program.

In addition, he also wishes to share out His gratefulness to the Headmaster SMP Wisata sanur, English Teacher and all the staff for their permission, assistance and guidance. Moreover, his appreciation goes to the seventh-grade students in smp Wisata sanur for their kind support, participation, effort and motivation during the process of gathering the data of the present study. Besides, he also expresses thankfulness to his family and his friends VII E class for the love, supports and so much memory and experience so that he is able to complete his study successfully.

Finally, this thesis is so far from perfection, therefore, constructive suggestion, recommendation for the development of this thesis are highly appreciated. The researcher hopes that in the future this thesis can be used as a reference by the other researchers for their research in applying ESA technique to improve the students vocabulary and reading skill. Moreover, constructive improvements are highly appreciated.
