

## ABSTRACT

I Made Jagat Jiwa A 2023. **An Analysis of Human Motivation Shown By The Characters in “Doctor Strange : Multiverse of Madness” Movie.** English Study Program, Faculty of Foreign Languages, Mahasaraswati Denpasar University. Supervisor: Ida Bagus Gde Nova Winarta, S Pd., M.Hum; Co-supervisor: I Wayan Juniarta, S.S., M.Hum;

The aims of this study are to find out the types of human motivation that caused of conflict in *doctor strange multiverse of madness movie*. This study applied the theory proposed by Benhardt (1953) to find out the types of Human Motivation and the theory proposed Warren and Wellek (1976) to analyze the conflict that shown by the characters in the movie. In analyzing the data the researcher used descriptive qualitative method. This study used formal and informal method to present the finding of the data. The result of the study were found: emotion motive is about 7 data, wants motive which consist 4 data, feeling and attitude motive which consist 2 data, social motive which consist 1 data or and appetite motive which consist 1 data or From the five types of human motivation that found in the data source. The data showed emotion had largest number of occurrence among another types of illocutionary act which consist 7 data because mostly the main characters have the same background that which are Dr Strange and Scarlet Witch that they disappointed with their relationship from the past.
