Please see the editorial comments (below) and attached copies of the reviewer comments for manuscript title " **Jackfruit Leaf as a Natural Sun Stick Protector Through Inhibition of MMP-1 Receptor.**"

### Editorial comments to authors

**Title: Names (First and Last name in full, middle name as initials) and affiliations of authors should be written correctly. Correspondence authors' contact address (email and telephone number) should also be stated.**

Move all tables under the reference section.

The data analysis should be moved to the Materials and Method section

**Figure 3 and 4:** remove gridlines

**All botanical and zoological names should be italicized**

**References:** Cite relevant and related references from the published articles of TJNPR [www.tjnpr.org](http://www.tjnpr.org)

**Adhere strictly to the Journal's format for listing references. Remove italics from journal names;**

Falodun A, Siraj R, Choudhary MI. GC-MS Insecticidal Leaf essential oil of *P. staudtii* Hutch and Dalz (Icacinaeae). Trop J. Pharm Res. 2009; 82:139-143.

**Grammatical presentation is poor. Manuscript should be submitted for English Language editing.** Please seek the assistance of a native English speaker/ editor for the English editing and proper formatting. Dr Erharuyi ([erharuyiosaz@gmail.com](mailto:erharuyiosaz@gmail.com); [osayemwenre.erharuyi@uniben.edu](mailto:osayemwenre.erharuyi@uniben.edu)) . Send the revised copy and the certificate of English editing when submitting the revised version

**All comments/corrections made by reviewers should be completely addressed, point by point, and make appropriate changes in the manuscript, or provide a suitable rebuttal to any specific request for change that has not been made.**

**All corrections/changes made in the manuscript should be highlighted in yellow** when submitting the manuscript in the revised **form on or before 25th April 2023**

The authors should carefully revise and correct the manuscript taking into consideration the comments of all the reviewers.

**50% of the references cited should be between 2016-2020.** The revised and corrected manuscript should be subjected to plagiarism checker (17% allowed in TJNPR) and English language editing. Evidence of the checks should be attached when submitting the revised/corrected manuscript.

During submission of the revised manuscript include another file labelled "**Responses to reviewers' comments**" (a matrix) clearly showing your responses to each of the issues raised by the reviewers; mention the section, page and paragraph/lines where and how the changes/corrections have been made.

Strictly adhere to the author guidelines. Make sure that all the facts and information provided in the manuscript are correct. Check grammar, spelling, spacing, other information and facts including scientific names, formulae, symbols, equations, etc.

Ensure that all the references are correctly cited in the text and list. Verify all the references from their original sources. Confirm correctness of the citation info such as authors' names (surnames, initials, spelling, arrangements, etc), year, title, journal, volume, pages, punctuation, etc. The numbers and units must be presented according to the journal style. Use clearly distinguishable patterns for the illustrations/figures (e.g., graphs and charts) such that they should be legible even for black and white printing or when reduced in size.

Proofread the whole document after effecting all the corrections. The revised version should be approved by all the co-authors before submitting it.

A manuscript not complying with these and other instructions will not be processed and may be rejected.

Please find the attached review comments for your revisions.

Best regards

Abiodun

Dear **Professor Abiodun Falodun, Ph.D.**

Editor-in-Chief of Tropical Journal of Natural Product Research (TJNPR)  
Head, Natural Product Research Group, University of Benin

With respect,

We want to inform you that our first author as the one who design the research method, was have a difficult moment because of his father-in-law had passed away yesterday. So, he couldn't focus in finishing the revisions required soon before the deadline that had been set at 25th April. So we humbly beg you could kindly extend the revision deadline for our manuscript, considering the condition of our first author. For your consideration, we convey our great gratitude.

Corresponding author,  
Dharma Shantini.

With respect,  
In the following, we attach files from our revised manuscripts according to the comments of the reviewers, a file of the Proofreading Certificate of the revised manuscripts, and a file of similarity check results from our manuscripts at Turnitin. The similarity of our manuscripts is below 17% (ie, 12%). Hopefully, our revised manuscript can be accepted and further processed at TJNPR.
