

ABSTRAK

Desa adat sangat penting dalam kehidupan umat Hindu di Bali, hal itu disebabkan semua Umat Hindu yang merupakan penduduk mayoritas di pulau Bali adalah anggota Desa adat. Dimana desa adat maupun desa pakraman agar memiliki awig-awig (peraturan desa) tertulis supaya ada kepastian tentang pelaksanaan awig-awig di Desa adat. Maka dari itu awig-awig di dalam desa adat sangat diperlukan, karena disamping sebagai aturan-aturan pelaksana di dalam wadah dari kesatuan masyarakat hukum adat di Bali berdasarkan satu kesatuan tradisi dan tata krama pergaulan hidup yang diwariskan secara turun temurun dan diikat oleh falsafah Tri Hita Karana, dimana Desa adat dan awig-awignya sesuai dengan fungsi dan posisinya, akan selalu berperanan aktif dalam rangka menjaring nilai-nilai baru dalam pembangunan sehingga keberadaannya dan penerapannya mutlak diperlukan, khususnya dalam hal penerapan sanksi jika terjadi pelanggaran terhadap awig-awig dalam penerapannya tersebut.

ABSTRACT

Traditional villages are very important in the lives of Hindus in Bali, this is because all Hindus who make up the largest majority on the island of Bali are members of traditional villages. Where traditional villages and Pakraman villages have written awig-awig (village regulations), there must be certainty about the implementation of awig-awig in traditional villages. Therefore, awig-awig in traditional villages is very necessary, in addition to being an implementing rule in the forum of customary law community units in Bali based on a unity of traditions and social manners that have been passed down from generation to generation and by the Tri Hita philosophy based on a single tradition. the unity of traditions and social manners that are passed down from generation to generation and by the Tri Hita Karana philosophy, where the traditional village and its awig-awig are in accordance with their function and position, will always play an active role in capturing new values in development so that their application is absolutely necessary, especially in terms of the application of sanctions if they there is a violation of awig-awig in its application.
