

Dear author (s),

I Made Sukerta, I Made Suryana, Anik Yuesti

Greetings!!

Thank you for submitting your research work to our journal.

Your article with the title **Value Potential Of Dry Land For Future Agricultural Development In Bali** has been successfully received by the **EurAsian Journal of BioSciences** and now the article is under **evaluation for quality check**. Your article will be assigned a manuscript number once the evaluation is completed.

Could you please confirm whether the article was submitted for the Regular Issue or Special Issue? We require this information to proceed with the article further.

Looking forward to hearing from you soon.

**Yours sincerely,  
managing editor**

**Dr. Muhammad Khan**
