

BUKTI KORESPONDENSI

Judul Artikel : Penatalaksanaan Herpes Zoster di Orofasial pada Pasien Usia Lanjut: Sebuah Laporan Kasus

Penulis : I Nyoman Gede Juwita Putra, Raziv Ganesha, IGN Putra Dermawan

Nama Jurnal : Makassar Dental Journal (MDJ)

Scope Jurnal : Dental Science, Dental Hygiene, **Oral Pathology**

The screenshot displays the website of the Makassar Dental Journal (MDJ). The browser address bar shows the URL: jurnal.pdgimakassar.org/index.php/MDJ/focus. The website has a purple header with the MDJ logo and navigation links: Archives, Focus and Scope, Publication Ethics, Author Guideline, Template, Indexing, Editorial and Reviewer Team, and Contact. A search bar is also present. The main content area is titled "Focus and Scope" and includes a list of dental specialties: Dental Public Health and Epidemiology, Oral and Maxillofacial Surgery, Dental Conservation and Endodontics, Preventive Dentistry, Biomedical Dentistry, Dental Radiology, Pediatric Dentistry, **Oral Pathology** (highlighted in blue), Prosthodontics, and Traumatology. On the right side, there is a "Unique Visitors" section showing statistics for various countries (ID, US, SG, IN, MY, JP, PH, EG, CN, TR) and a "Pageviews" count of 307,086. Below this, there is a "View My Stats" link and logos for RISTEKDIKTI, SINTA (Science and Technology Index), and GARUDA.
