## **WELCOMING MESSAGES FROM THE CHAIR OF YAYASAN PENDIDIKAN WIDYA KERTHI**

Om swastyastu,

It is a great pleasure to learn that the Universitas Hindu Indonesia (UNHI), Denpasar, Bali organize the 2<sup>nd</sup> International International Seminar on Interreligious and Intercultural Studies: Religious Pluralism in Southeast Asia. With the involvement of scholars and researchers from several countries, the conference is expected to become an academic forum that addresses the pluralism in Southeast Asia.

Currently, in the disruptive era, Southeast Asian countries are facing various forms of threats such as intolerance, radicalism, ethnicities, etc., come with the advancement of technology, leading to the disintegration of the nation. Indonesia, as well as other Southeast Asian countries, need to anticipate such threats, either by strengthening relationships between countries and by strengthening local wisdom. The idea of promoting the Dewan Kerukunan Nasional (National Harmony Council), as a local wisdom in Indonesia, is one solution to all issues in the context of diversity.

Hopefully, the conference becomes a media for a global discussion and dialogue between formal institutions and local customary institutions to seek common ground for the contribution to the harmonious life. My best wishes for a productive and successful conference, and a pleasant stay amongst us.

Om santih, santih, santih, Om.

**I Ketut Ardhana**

It gives me great pleasure to extend to you all a very warm welcome on Universitas Hindu Indonesia and to say how grateful we are to the scientist, scholar and researcher who have accepted our invitation to convene the 2nd International Seminar of Interreligious and Intercultural Studies, here in Denpasar, Bali.

There are more than 30 papers will be presented on the 2nd International Seminar of Interreligious Studies: Religious Pluralism in Southeast Asia, which held on December 6th, 2018 hosted by Universitas Hindu Indonesia. The greatest academic issues that will be discussed in this forum are about pluralism and its consequences in the disruptive era. Through this seminar, we explore and develop smart ideas to deal with conflict in a pluralistic society.

As the host, we consider that the attendance of participants and speakers to this seminar, both from local and board, exactly illustrating the nuances of multi culture. These nuances will attract us into the atmosphere of unity in diversity as directed by Pancasila, Bhinneka Tunggal Ika.
